Call for Papers

Artificial Intelligence for Digital Transformations (AIDT 2026)
Dates: June 22nd to June 24th 2026
Location: UFAZ / Baku (AZ)

The **Artificial Intelligence for Digital Transformations (AIDT 2026)** conference is an international forum dedicated to exploring how Artificial Intelligence (AI) is transforming the digital landscape across various industries, organizations, and society.

In an era where digital transformation is no longer optional but essential, AI stands at its core, driving automation, enhancing decision-making, and fostering innovation. **AIDT 2026** will bring together leading researchers, practitioners, policymakers, and industry experts to share knowledge, showcase cutting-edge research, and explore the practical applications of AI in shaping the digital future.

AIDT 2026 is co-organized by the French-Azerbaijani University (UFAZ), the Azerbaijan State Oil and Industry University (ASOIU), and the French University of Strasbourg (Unistra) and its ICube laboratory, in collaboration with INSA Rouen Normandie (France) and its LITIS laboratory. The conference is supported by the Ministry of Education and Science of Azerbaijan.

Topics of Interest

We invite original research papers, case studies, and application reports, including, but not limited to:

- Core AI Models and Learning Paradigms
    - Machine learning and deep learning in digital systems
    - Federated and distributed learning for digital ecosystems
    - Multi-agent systems and collective intelligence
    - Natural language processing
- AI-Driven Automation and Optimization
    - AI for business process automation
    - Intelligent optimization for digital services
    - Recommender systems and personalization
- AI in Emerging Digital Infrastructures
    - AI for IoT, edge computing, and cyber-physical systems
- Governance, Strategy, and Human–Organization Interaction
    - Organizational digital transformation strategies

- ○ Explainable and trustworthy AI
- ○ AI governance, ethics, and regulation
- Sustainability and Responsible Innovation
  - ○ Sustainable and green AI for digital transformation

Submission Guidelines

- **Paper length:** Full papers, about 5000 words in length
- **Language:** English
- **Review:** Double-blind peer review
- Accepted contributions will be presented orally at the conference venue.

Important Dates

- **Submission deadline:** 15 February 2026 (23:59 AoE)
- **Notification of acceptance:** 15 April 2026
- **Camera-ready papers:** 02 May 2026 (23:59 AoE)
- **Conference:** 22nd to 24th June 2026

Publication

Accepted papers will be published in the conference proceedings within the Springer CCIS series. Authors of high-quality contributions may be invited to submit extended versions for consideration in special issues of international journals.
